

WILL HAVE NO EFFECT ON B. & M.

Places of Men on Strike Have Been Generally Filled

SAYS PRESIDENT OF THE ROAD

Assurances to Men Now Employed They Would Be Protected Stands

Boston, Sept. 15.—The Chicago rail strike settlement will have no effect on the position of the Boston and Maine railroad J. H. Hustis, president of the line, announced in a statement last night.

"The places of the men comprising practically the entire motive power and car repair forces, who left our service on July 1, last, have been generally filled," the statement said. "The work is being performed by men who had our assurance that they would be protected in their employment, provided their work was satisfactory. This assurance stands."

"What has been accomplished by these men and by the supervisory forces and volunteers was beyond our expectations. The evidence of this is that service, both passenger and freight, has been performed in full measure and of a quality that has commended itself to our patrons."

"We are conscious of the difficulties of the present situation due to the probable demands on transportation as a result of the settlement of the coal strike and the expected revival of business during the fall months. However, the new men are gaining experience daily, and competent workmen continue to apply for work and are being employed where there are vacancies."

"The delivery of the new locomotives and the new passenger train cars has commenced, as had the delivery from outside shops of locomotives, freight and passenger cars which were sent to those shops for repair after July 1, all of which tend to improve conditions. We believe the situation is well in hand and that the course we have taken and will continue to follow will meet the situation."

GODDARD'S FOOTBALL PROSPECTS GOOD

Eighteen Candidates Have Already Reported With More Boys to Arrive at School.

With four letter men returning to school, and with plenty of good material among the new students, Goddard's football prospects seem extremely good this year. Although only eighteen candidates have reported for practice Coach Wilson is not discouraged, as there are about twenty more boys to arrive and there is sure to be a lot of good material among this number.

As there have not been enough candidates to form two teams no scrimmage has been held as yet, but Coaches Wilson and Mowles have been putting the boys through a stiff practice every night. This practice has consisted mostly of falling on the ball, throwing and catching forward passes and calisthenic exercises. Yesterday afternoon Coach Wilson gave a talk emphasizing the importance of keeping in good physical condition. He said that no training table would be conducted this year and that the candidates would be put on their honor to keep training.

The following candidates have reported for practice: Amidon, Ashmore, Drew, Driscoll, Hoxie, Harrington, Hunt, Lathrop, Luck, Mitchell, Miles, Shea, Sinclair, Soule, Sweeney, Shipman and Wilson.

Manager Scribner is working on a schedule which will include such teams as Vermont freshmen, Norwich freshmen, Middlebury freshmen and some strong preparatory school teams. As yet there is nothing definite on this schedule but Manager Scribner promises a good game to be played at Barre Sept. 20.

SUMMARY OF NEWS IN MORNING PAPERS

Federal Fuel Distributor Spencer, seeks conference to fix price for anthracite.

Boston and Maine president declares strike settlement will not affect company's policy to keep new employees.

Jack Dempsey, world's heavyweight champion, cancels to-night's Boston engagement because of abscess on left arm.

Mrs. J. Emerson Tells How Cuticura Healed Salt Rheum

"I had salt rheum on my hands and under my knees. It broke out in tiny water blisters, and the skin was very tender. It would crack and was so sore I could not bend my hands. The eruption itched dreadfully, and sometimes I had to bandage my hands."

"I had the salt rheum for twenty-five or thirty years. I was told to use Cuticura Soap and Ointment and I did. They began to stop the itching at once and I used two cakes of Cuticura Soap with one box of Cuticura Ointment, when I was healed." (Signed) Mrs. Jean Emerson, R. F. D. 1, Box 49, Palermo, Maine.

Cuticura Soap, Ointment and Talcum are all you need for all toilet uses. Bathe with Soap, soothe with Ointment, dust with Talcum.

Sample Book Free by Mail. Address: "Cuticura Laboratories, Dept. 5, Malden 45, Mass." Sold everywhere. Sample, Ointment and Talcum 50¢.

Cuticura Soap shaves without razor.

CALL TO JUDGES' STAND.

A Forty-Seven Years' Record of "Pop" Geers Broken To-day.

Louisville, Ky., Sept. 15.—E. F. "Pop" Geers to-day had added another trophy to his collection, but in acquiring it the 71-year-old reinsman broke a record of forty-seven years' standing on the turf by being called into the judges' stand.

Driving Milady Guy by Daughter of Guy Axworthy "Pop" easily won the governor's cup event, a three-year-old trotting stake with a value of \$1,000. Governor Edwin P. Morrow then called Geers into the stand to present the silver loving cup donated by the fair association.

"This is the first time I was ever called into the judges' stand in my 47 years on the turf," said the old master, "but it certainly is a happy occasion."

SQUIRREL CAUSES SHUTDOWN.

Running Over High Voltage Wire Is Electrocuted Causing Short Circuit.

Marlboro, Mass., Sept. 15.—This city and eight towns were shut off from electric power when a gray squirrel, running over a high voltage wire was electrocuted, causing a short circuit. Plants in Marlboro, Southboro, Northboro and Westboro were shut down for three hours. One thousand employees were affected.

DEPLORE MISS BOOTH'S RECALL

Expression of Regret at Her Removal From S. A. Universal

WILL OBEY THE ORDER SHE SAYS

Has Been Commander of Organization in America for 18 Years

New York, Sept. 15.—Expressions of regret at the removal of Commander Evangeline Booth as head of the Salvation Army in America, at a date yet to be fixed, to-day were universal. Miss Booth received notice of her impending removal through a radiogram message from her brother, General Bramwell Booth, supreme head of the organization with headquarters in London.

"I shall obey the order," she said to-day. "I have cabled my brother for further information."

The only previous intimation that she was to be recalled from the position was two years ago. Miss Booth said, when her brother told her "you cannot expect to remain at the head of the organization all the rest of your life."

"I have always felt that America claimed my best," she added, "and, ungrudgingly I gave my best. The one and only regret is that I had not a better best to give."

She has been commander of the organization in America for 18 years.

VILLA OUTBOXES BUFF.

Filipino Boxer Wins Decision Over Jersey City Man.

New York, Sept. 15.—Pancho Villa, sensational boxer, who won the American flyweight championship last night by scoring a technical knockout over Johnny Buff of Jersey City, N. J., in the 11th round of a scheduled 15 round bout at Ebbett's field, will now seek a match with Jimmy Wilde of England for the world's title.

Villa demonstrated his superiority over the best of the American 112 pounders by outboxing and out punching Buff decisively. Buff, in the opinion of ringside experts, showed the effects of illness which has kept him out of the ring since he lost the world's bantamweight title to Joe Lynch, of New York. Villa floored the American three times in the tenth round and was ready to deliver a knockout blow when Buff's seconds tossed a towel in the ring after 27 seconds of the 11th round in acknowledgment of defeat.

Are You Batting 1000?

Irrespective of whether you are young or middle aged, poor, medium well fixed or wealthy, you can improve your batting average by improving your health.

Thousands of men and women in all walks of life, afflicted with stomach and liver disorders, as well as thousands of weak, thin, nervous men and women, have voluntarily testified that TANLAC has restored them to their normal weight, health and strength.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.—Adv.

The Office Boy.

A committee, self-appointed on the conservation of energy and promotion of industry among office boys, was asked for the results of an investigation. Here they are:

Of 1,700 office boys investigated the following was determined:

Twelve per cent read movie magazines and memorize the lives of movie stars.

Seventeen per cent print their names in various types over 10 times daily.

Eleven per cent watch the door from the hall while they match pennies with other future presidents and directors.

Three per cent collect postage stamps and spend their time sorting them.

Seven per cent practice typewriting.

Four per cent sleep.

Three per cent sit and stare off into blank space.

Six per cent just sit.

Those remaining are sufficiently clever in action so that even their bosses don't know what they are doing.—Wall Street Journal.

"Did Slowboy praise your gown last night?"

"No; he never pays even a compliment until 30 days after it's due."—New England Craftsmen.
